The 1979-80 *Cornerstone* Staff proudly recognizes a man who has meant much to the students of First Baptist Academy through his sincere love and caring spirit. He has touched the hearts of many individuals with his sense of humor, and his ability to be a teacher, a coach, a friend, and above all else, a brother in Christ. It is truly evident that Christ is the cornerstone of his life.

Therefore with great love and appreciation we dedicate this edition of the *Cornerstone* to

ACADEMICS

Let's get on with it, you BLOB!

The Fearsome Foursome

Hi Thweetie

You're supposed to share.

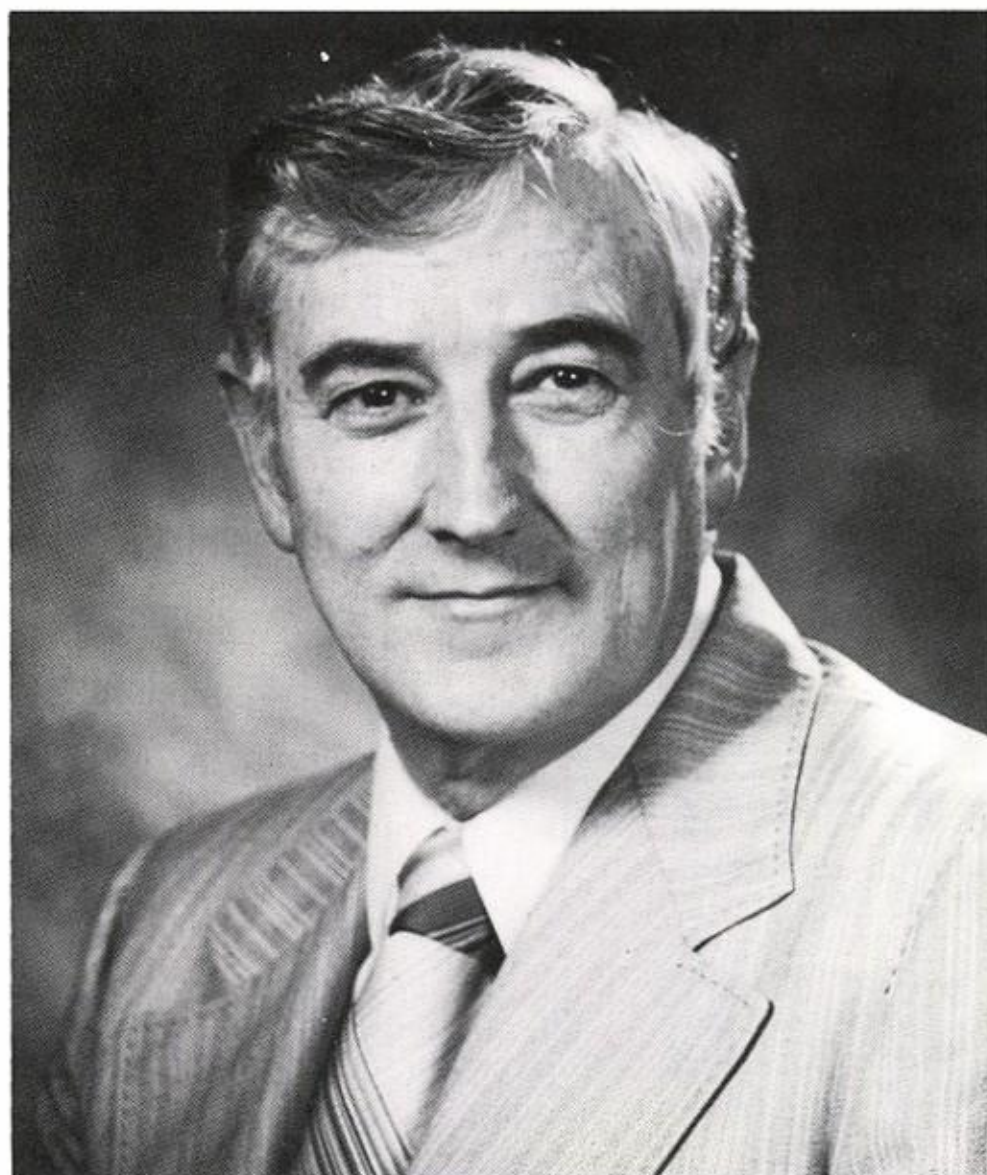

Study hard.

Oh Pam, you couldn't benchpress 225 if you tried.

Dr. W. A. Criswell

Dr. Leo Bradley

You need not be told again of my infinite gratitude for all of you who, in these days and years past, have built the deep foundations for our Academy. Nor do you need to be reminded of our everlasting prayers of gratitude for all that you are doing now to make the school better and more effective with each passing day. May God write it in His book in heaven and make it an eternal reward for you both now and in the years that are yet to come.

It is because we believe in Christian education that the school exists and that we send our children to its classes. There is more to human life than mere existence. The human spirit is more than animal. We are created in the image of God and the spark of divinity is in us all. God made us to respond to a heavenly pattern, and by training and teaching we can learn that divine purpose and will for our lives. We can grow toward that heavenly image and become more like our Mighty Maker in our own gift of love and service for the needs of the world.

So may God bless you and keep you in every devoted and consecrated effort that you pour into our First Baptist Academy. Already, we see the marvelous results of your dedication. These encouragements and these harvest-blessings will be even more evident in the immediate years that lie ahead.

In a world where the values of our Christian heritage stand challenged on every hand, there comes the cry for men and women to stand up and be counted as followers of Christ. We are extremely grateful that First Baptist Academy is having a part in preparing young people to assume roles of godly leadership in today's world.

To each of you God has extended a call to be separate and distinct. You will face many challenges in the days ahead but none will be greater than the challenge to witness consistently for Christ in everything you do.

God desires that you diligently seek His will as you choose a career, as you select the right life partner, as you make a home, and as you serve Him through His church. He has promised in His Word never to leave you or forsake you. His Word is sure and powerful. Trust it, believe it, stand on it and you shall never be disappointed.

It is your constant prayer that you will hunger and thirst after God's righteousness all the days of your life. May He richly bless your pilgrimage.

PEACE OF MIND AT A POPULAR PRICE

10605 Countess • Dallas, Texas 75229

Is there anyone else concerned about my college education?

At Dallas Baptist College there is.

College shouldn't be an impersonal institution where it's difficult to find someone who really cares about **your** goals and your schedule.

College education should be viewed as a means to accomplish your goals for life: Success. Fulfillment. Happiness.

At DBC our faculty is concerned for your goals and we show that concern with: **counseling** that develops degree plans to meet your goals; **small classes** where you get to try out your ideas; **flexible degree plans** - five

four-year degrees and four pre-professional degrees and even a "head-start" program for people returning to college with career experience; a well-rounded **campus life** of sports and activities that provides growth in a Christian atmosphere.

We are concerned about you and your goals.

Call us and see how we can help. Dallas Baptist College, 3000 Florina Drive, Dallas, Texas 75211, (214) 331-8311 or Metro 263-7595, ask for Ext. 710.

DALLAS BAPTIST COLLEGE 

**A college must be
concerned about more
than 5% of
your life.**

**At
Dallas Baptist
College we are.**

Four years spent in the classroom at college represents only 5% of the normal life expectancy. A Christian college should be concerned with 100% of that life. We believe that the values received and principles taught in the class must be ones that the students carry throughout their life.

Our faculty at DBC has one thing that's unique. They are truly concerned about the student's total life, not just the 5% spent with us.

If you're looking for a good quality liberal arts education at a school that is concerned about you, give us a call or write.

THERE'S NO PLACE LIKE HOME

One of the most important steps in your future
is the establishment of a home . . .

YOUR home

As you prepare to enter college . . .
and then to pursue a career . . .

Remember that the HOME is where the heart is.

In due time — with God's help and guidance . . .
you will start your home . . .

and it will be the source of much joy and happiness . . .
it will be the strength of this nation —
as it has been for generations.

We beseech you, therefore, to set high on your list
of accomplishments . . .

to establish a Christian home and resolve that
“As for me and my house, we will serve the Lord.”

In the interim, as you pursue your education and
launch a career, we urge you to . . .

Seek knowledge Develop wisdom Love righteousness Fear God.

Honoring Dr. W. A. Criswell for his thirty-five years of faithful service as pastor of The First Baptist Church of Dallas. Believing that First Baptist Academy was not only a realization of a dream but also an answer to prayer, the 1979-80 *Cornerstone* Staff extends its sincere appreciation to Dr. Criswell for establishing F.B.A. with Christ as the cornerstone.

Pat

I was really scared my first day here but then it eased off after I was transferred ^{1st} into 8A. When I got in your class the pressure started easing off and I got to know you alot better. I know I'm not the best christian in the world but I think I can learn alot from you. You have been one of the best friends as well as a ^{good} christian influence on my life. Well the years almost over and then comes Choir Tour it sure is going to be a blast.

Pat,
 you sure have
 been a nice guy this year.
 Hope you have great high

 keep you in all you do,
